We are excited for SUMMER at Parkview

The gardens are blooming the birds are enjoying their bird feeders. Residents have been enjoying the sitting on the front porch partaking in the beautiful weather.

New this year we have 2 raised vegetable gardens. A big thank you to our helpers. The gardens were planted by our volunteer gardener Bep, our activity aide Alyssa and residents. We want to shout out our Environmental Services Manager Candice for planting all of the beautiful railing boxes and planters around the home.

## Election DAY

Voting poles will take place June 1 right in Parkview at 1pm. All residents who wish to vote will be assisted to the voting poles by a staff member and then the voting assistant will set each resident up to vote confidentially.

"I scream, you scream, we all scream for ice cream!"

Bus trip for Ice Cream Thursday June 23<sup>rd</sup>. Location to be announced when the residents choose.

**The Day is Finally Here!**

Our fence is being installed around our property. There will be a gate at the sidewalk that leads to the parking lot. There will also be a gate that closes the street entrance. This new fencing will add an additional element of safety for our residents and staff members. The gates will be latched so that visitors can open the latch and enter without assistance.

We would like to extend a warm Parkview Manor welcome to new friends Dawn and Shirley. We look forward to getting to know you better.

## 2021 Resident & Family Surveys

Every year our home conducts a resident and family survey that remains anonymous. This way we can gather information that can highlight where we are doing well. The surveys also let us know areas for growth. Previously we would mail the surveys out however since Covid 19 they have become electronic only. Come October please look in your email for your digital family survey for 2022. The more families that are able to complete it the more knowledge we will have to improve upon. This year our action plan for improvements will focus on;

1. Care of residents clothing
2. Quality of care from the doctor
3. Communication from the home in form of updates and changes occurring in the home.

As always if you have any questions or concerns please reach out to us at anytime.
