Boogie into October

What a way to start the morning! The residents at Parkview have really been enjoying our Sit and Get Fit program. Every weekday morning, the residents get dressed, eat their breakfast, and then they get their exercise. At 9:30am the residents enjoy exercising, singing, dancing and reminiscing to their favourite music they listened to while growing up.

Searching for Volunteers

Calling out to any students looking for volunteer hours, or anyone looking to give a helping hand. If anyone is interested or knows of somebody who may be interested in volunteering, please contact the home for further information on how to become a Parkview volunteer.

Bus Trip

On Wednesday, October 4th residents will be getting ready to go after lunch for a bus ride to view all the autumn colour changes. The bus is scheduled to arrive at 1:30pm and will arrive back around 3:00pm.

Halloween Activities

On Tuesday, October 31st residents, staff, and family have the choice to dress up and prepare for our Halloween party! The party will begin at 2:00pm with snacks, games, Halloween music, and a costume contest. Residents will vote on who they agree has the best costume, and the winner will receive a prize! In the evening the residents have the option to hand out treats to the children or sit cozy and watch Halloween movies.

October Birthdays

Ruth Ann – October 10

Make sure to wish your friends a **Happy Birthday!**

Most Recent Updates

- The nursing station is under renovation.
- Wearing a mask is highly recommended for visitors due to rise in covid numbers. Staff will be wearing mask.
- New flooring installed on main floor.

Welcome

This month we would like to give a special welcome to Gerald!

Family Council

Parkview would like to promote the idea of creating a family council. Family council is created by a group of resident family members, or close friends who discuss any topic that may impact the quality of care for residents. When the members seek any issues or concerns, the members bring their ideas to the management team. A family council may be important for residents who struggle to voice their opinions or concerns. If you have any interest in creating and being a part of the Parkview Family Council, please call the home so we can connect any members who are interested.
