## **Coming in March...**

With the warmer weather approaching, and the days getting noticeably longer, there is no doubt that spring is in the air!

As Spring brings the return of flowers, green grass, and trees with leaves; it also signifies the urge to 'spring clean, and organize' for many.

That being said, we are taking this chance to update our Programs Calendar!

In collaboration with our Resident's Council, the following changes have been made:

- Coffee Time has been added daily at 10:00 to replace Crosswords and Coffee; during this social program coffee/tea is served, and word games of resident choice are played
- Indoor 10-Pin Bowling has been added to Wednesday's at 1:30pm to coincide with our Lawn Bowling Group
- Garden Group will meet Friday's at 3:00pm, with March's focus being on germinating the fruit and vegetable seeds
- St. Patrick's Day Afternoon Social will be held on Friday, March 15th at 1:30pm; join us to enjoy some 'green' coloured treats
- Easter Tea will be held on Friday, March 29th, at 1:30pm, complete with a visit from the Bunny himself

**Everybody welcome to attend!!!**

## Ground Hog Day

Ground Hog Day had us voting on the ever important question: Will Wiarton Willie see his shadow, or won't he? The consensus was 'He will not see his shadow', indicating an early Spring.

We were then able to live stream the Wiarton Festival, and could not be happier with the results: Wiarton Willie did NOT see his shadow...now to prepare for an early Spring!

## Lunar New Year

After enjoying a Chinese food lunch, with the staples of Sweet and Sour Chicken Balls, Vegetable Fried Rice, Broccoli, and an Egg Roll we gathered for a virtual tour of the Lantern Festival, and an astonishing Dragon Parade...we were amazed that two people can move in tandem while operating a fair sized, and if we had to guess heavy, beautifully adorned Traditional Dragon Costume.

## PVM Team Member Highlight

It is with mixed emotions we bid farewell to Dylan as he advances in life to bigger things...by things we mean enlisting with the Canadian Military.

Dylan joined the PVM team as a student in 2020 while finishing his final year of high school, quickly advancing into the role of Dietary Aide/Cook.

From his John Deer Green uniform, to his uncanny ability to bring out the laughs in the dining room, he will certainly be missed.

That's not to say that we are not very proud of him, and his decision to his career advancement.

**BEST OF LUCK IN YOUR FUTURE  
ENDEVOURS!!**
